PROJECTS

Harmony - The Music Player (Major Project)

ReactJS, HTML, CSS

April 2023 - June 2023

- This music player is a web-based application that allows users to stream and listen to their favorite songs and music playlists from anywhere, at any time.
- It provides a user-friendly interface that is easy to navigate.
- It works with Spotify APIs and renders them perfectly and provides a seamless music experience.

Online Code Editor

ReactJS, HTML, CSS

April 2023 - May 2023

- This online code editor is a web-based application that provides a user-friendly interface for writing and editing code in various programming languages.
- It allows users to write and test code in real-time, without the need to install any software on their computer.
- Here user can write his/her HTML, CSS & JAVASCRIPT code and the output will be shown in the lower half of the screen.

Color Picker WebApp

JavaScript, HTML, CSS

October 2022 - November 2022

- I made this WebApp whose background color will change randomly as you click on the "Click Me" button, and you can pick any random color user like for his/her project.
- It provides hex color codes and users can use that in their projects.
- Although we find similar features with a simple Google search, it was a good excuse for me to practice my javascript skill.

EDUCATION

B.Tech in ECE (7.43 CGPA)

USICT, GGSIPU

2020-2024

12th Class (80%)

Vishvas Sr Sec School, Hisar

2018-2020

SKILLS

Programming

C++, JavaScript

Web Development

HTML, CSS, ReactJS, JavaScript, REST APIs

CS Fundamental

Operating Systems, OOPS Concept, DBMS

Version Control

Git, GitHub

EXPERIENCE

WEB DEVELOPMENT & DESIGNING INTERN

OASIS INFOBYTE

Sep 2023 - Oct 2023

- Developed and deployed 3 projects from concept to completion, showcasing proficiency in HTML, CSS, and JavaScript to create responsive and interactive user interfaces.
- My internship challenged me with various technical and creative problems, encouraging me to think critically and find innovative solutions.
- Gained valuable experience in version control, web optimization, and debugging techniques, enhancing my ability to create efficient and user-friendly web applications.

HOBBIES
